"Bottle-Faced Lil," a beer-slinger in a Butto resort, came to Walkerville to-day and was so helplessiy drunk as to be almost unable to get off the car. On the street car she refused for a time to pay the conductor her fare, saying her lover would do it, and giving his name, asked the conductor to charge it. The arrest of the postmistress and her son at Manu, charged with robbing the mails arriving at that office, should have been attended to months ago. It was a rare occurrence for letters containing money or valuable packages to get further than that office. Neihart, Barker, Monarch and other mails have to go through this office, and the complaint was general that there was something wrong at Manu. Now that arrests have been made the matter will be thoroughly investigated and the guilty parties pun-iabed.
